

Disclaimer: This file has been scanned with an optical character recognition program, often an erroneous process. Every effort has been made to correct any material errors due to the scanning process. Some portions of the publication have been reformatted for better web presentation. Announcements and add copy have usually been omitted in the web presentation. We would appreciate that any errors other than formatting be reported to the NMOS at this web site. Any critical use of dates or numbers from individual records should be checked against the original publication before use as these are very difficult to catch in editing.

Volume 13 1985 Number 1-4

ANNOUNCEMENTS

NMOS ANNUAL MEETING. The 1986 Annual Meeting of the New Mexico Ornithological Society will be held 1-2 March at the University of New Mexico Biology Department, Room 139. There will be a speaker (identity to be determined) at the banquet Saturday night and a field trip on Sunday (time and location to be determined). Volunteers are needed to help with preparation for the meeting (e.g., organize the field trip, help organize the banquet). Volunteers should contact Mary Alice Root, Dustin Huntington, or Tom Marr (numbers on back cover). Details of the meeting will be announced after the first of the year.

CALL FOR PAPERS. Dr. J. David Ligon, Program Chairman for the NMOS annual meeting, has announced that requests for time on the program should be submitted by 14 February 1986. An abstract of the presentation and an estimate of the time needed should be included. Presentations on any topic of ornithological interest are invited, and are typically 15-20 minutes long. The material should be sent to Dr. J. David Ligon, Department of Biology, University of New Mexico, Albuquerque, NM 37131.

APOLOGY TO OUR MEMBERS

We apologize to our members for delays in publication of The Bulletin. The combination of a change in editors and a lack of submissions has resulted in a long lapse between the last number of The Bulletin and the current issue.

The new editor, Tom Marr, is committed to restoring our quarterly publication schedule; however, he can do so only if he receives papers for publication.

Persons interested in contributing to The Bulletin are encouraged to do so. Papers can be anything from original scientific work in ornithology (empirical or theoretical) to casual notes of interesting backyard birdwatching. If possible, lengthy papers should be submitted on an IBM formatted 5 1/4 inch floppy disk. Papers should be submitted to the editor of The Bulletin.

...of a different feather...

"I trust you will not allow yourself to be in any way disgusted or annoyed by the considerable abuse and misrepresentation which, unless I greatly mistake, is in store for you. Depend upon it, you have earned the lasting gratitude of all thoughtful men. And as to the curs which will bark and yelp, you must recollect that some of yours friends, at any rate, are endowed with an amount of combativeness which (though you have often justly rebuked it) may stand you in good stead.

I am sharpening up my claws and beak in rediness."

Excerpt from a letter to Charles Darwin from Thomas H. Huxley on the publication of Origin of Species. 1859.

DIRECTORY OF NMOS MEMBERS, 1985

Memberships are available in the following categories: individual (\$7.50/yr), family (\$10.50/yr), or student (\$3.50/yr). Membership inquiry should be addressed to Charles A. Hundertmark (address on back cover).

Addresses listed without a state may be assumed to be in New Mexico (NM).
