MINUTES OF THE 1981 N.M.O.S. ANNUAL MEETING

By Sue Huntington

The 1981 annual meeting of the New Mexico Ornithological Society was held in Albuquerque on Saturday, 11 April, with a field trip on 12 April. Registration began at the Department of Biology, University of New Mexico, at 8:30 a.m. James Karo and Dustin Huntington showed slides during this period. The morning session was from 9:00 am, to 12:00 p.m., the afternoon session from 1:30 to 5:00 p.m., and the evening program from 7:00 p.m. to 8:30 p.m. The N.M.O.S. Board met during the lunch period and reconvened on 17 May 1981 to finish its agenda.

The business portion of the meeting saw the election of the following officers:

President	Charles A. Hundertmark
Vice President	James R. Travis
Secretary	Sue Huntington
Treasurer	Ross L. Teuber
Director-at-Large	Kevin J. Zimmer

Carryover directors are Dustin Huntington and William S. Stone, who will serve until 1982.

Ross Teuber gave the following treasurers report:

Balance on hand, 1 January 1980		\$750.55
Receipts - 1980		
Memberships	\$580.00	
Revised Checklist	347.00	
Other Publications	97.40	
Other Sales	15.00	
Donations	<u>7.50</u>	
		<u>\$1,046.90</u>
		\$1,797.45
Disbursement		
Printing	\$443.58	
Postage	63.47	
Annual Meeting	40.00	
Office Supplies	14.36	
Reimbursement	15.00	
Miscellaneous Expense	<u>9.60</u>	
		<u>\$ 586.01</u>
Balance on hand, 1 January 1981		\$1,211.44
Receipts - 1981		
Memberships	\$412.50	
Revised Checklist	177.45	
Other Publications	23.75	
		<u>\$ 613.70</u>
		\$1,826.14
Disbursements		
Printing	\$ 56.57	
Postage	19.97	
Office Supplies	2.28	
Miscellaneous Expense	<u>7.00</u>	
		<u>\$ 85.82</u>
Balance on hand, 31 March 1981		\$1,739.32

A questionnaire was handed out to people in attendance to determine their outlook on the future of the Society, and another form was made available to enlist participation by the membership in the Society's activities. Preliminary indications are that those present at the meeting favor the Society's remaining similar to its present form. However, a detailed analysis of the responses will be made in the near future and published in the Bulletin.

Various other items were also discussed during the business session, including requests for data by college students (see Notes and News), report on January 1981 Bald Eagle numbers, and a discussion on the N.M.O.S. archives. There were also reports from various Audubon Society Chapters in the state, including on conservation matters.

Technical papers given at the meeting were as follows:

The breeding ecology of the Gray-backed Fiscal Shrike - Steve Zack.

Reproductive biology of the Harris' Hawks - James C. Bednarz.

Birds of the Cottonwood Gulch area - D. Archibald McCallum.

Can there be anything after Costa Rica? -- Birds of the Zuni Reservation - John Trochet.

How do bird songs vary? - John Wiens.

An identification workshop occupied most of the afternoon, covering the following:

Raptors - John Hubbard
Shorebirds - Dustin Huntington
Hummingbirds - William H. Baltosser
Empidonax (flycatchers) - James R. Travis

The evening program was "On Safari in East Africa," by Donna Cole Schmitt and Steve Zack.

Registering for the 11 April meeting were 45 people, which was a good turnout.

The Sunday field trip was to Candelaria Farms, where Chuck Hundertmark demonstrated the use of mistnets for capturing birds and the techniques of bird-banding.

NOTES AND NEWS

Dolf Krehbiel, supported by information gathered by him, Wes Cook, and others, is writing a column in the Union County Leader (Clayton, New Mexico). Titled "Union County Birds," the columns have treated subjects such as the status of American Robins in the Clayton area and how to distinguish Canada Geese and Sandhill Cranes. More people should do this sort of thing, as there is a great deal of interest in birds among people who never join societies such as N.M.O.S.

Greg Schmitt and Donna Cole were recently married in Albuquerque and will reside in Santa Fe. Both have been N.M.O.S. supporters through the years, and we extend our congratulations to them.

Information is needed on the listed birds by the following college students:

White-winged Dove (new information) - Robert Jenks, Department of Wildlife and Fishery Biology, New Mexico State University, Box 4901, Las Cruces, New Mexico 88003

Barn Swallow (nesting colonies) - Kris Johnson, Department of Biology, University of New Mexico, Albuquerque 87106.

Mexican Jay (information on birds at northerly limits in N. M.) - Tom Edwards, University of New Mexico (address above).

The current N.M.O.S. membership is only 84 people and institutions, plus three gift and three exchange. Forty additional memberships expire with this number of the Bulletin. Taken in total, our Society only enlisted 130 members in the period 1980-1981. This is not nearly what it could be, and we urge you to help us expand our numbers. We feel that the N.M.O.S. makes unique contributions in ornithology, and you get a lot for your money!!!

The form included in the center of this issue of the Bulletin was presented

to attendees at the annual meeting. Many people volunteered to assist with various projects now under consideration. To complete these projects, the active involvement of many of our members will be required. For anyone who would like to volunteer but has not filled out a form, please do so and send it to Chuck Hundertmark. Those who volunteered his or her services at the annual meeting can expect to be contacted during the course of this year, as the N.M.O.S. Board sets priorities and determines the necessary tasks to accomplish the projects.

As per policy established by the Board of the Society, this issue of the Bulletin contains the membership list for this and the previous years, i.e. 1980 and 1981. Those memberships that expired in 1980 and have not yet been renewed are marked with an asterisk (*). After this issue of the Bulletin, non-renewed memberships will be dropped without further notice. If your membership has lapsed, you are urged to renew it right away. If a mistake has been made and you have paid for 1981, please advise us of this fact.

Dues in the N.M.O.S. are as follows:

Student and Institution:	2.50
Individual:	5.00
Family:	7.50
Contributing:	25.00
Patron:	100.00

Payment should be sent to the Secretary.

American Birds report periods are as follows:

Spring	March - May
Summer	June - July
Autumn	August - November
Winter	December - February

Records should be submitted within two weeks of the close of a period. Send reports to John Hubbard.

DIRECTORY OF NMOS MEMBERS 1980/1981

By Mary Lou Arthur and Sue Huntington

The following people, institutions and agencies comprise the membership of the New Mexico Ornithological Society. Members from 1980 who have not paid their 1981 dues are marked with an asterisk (*). These memberships will be cancelled as of the next Bulletin, if renewals are not forthcoming. All addresses without the State indicated are in New Mexico.

ALLEN, Mrs. Bertha R.--P.O. Box 5, Sandia Park 87047
