

# New Mexico Ornithological Society 60<sup>th</sup> Annual Meeting

29-30 April 2023

The New Mexico Ornithological Society (NMOS) will hold its 60<sup>th</sup> Annual Meeting on Saturday and Sunday, April 29-30, 2023 at Washington Ranch in Eddy County, New Mexico. This in-person meeting will include field outings on Saturday and Sunday mornings, a NMOS business meeting, a general science session, a keynote speaker, and an on-site dinner.

## CALL FOR PAPERS – NMOS GENERAL SCIENCE SESSION

NMOS is now accepting abstracts for oral presentations at the 60<sup>th</sup> annual meeting. All presenters must also be registered to attend the annual meeting.

Presentation topics that will be considered range from technical reports of original research to more general presentations addressing science-related questions of interest to the New Mexico ornithological community. Presentations for the NMOS General Science Session will be allotted 15 minutes, with an additional five-minute period for questions.

Abstracts for the General Science Session should be submitted in the format below.

- TITLE (in all capital letters) of no more than 20 words
- Names and addresses of author(s) in the following form:  
Piper, S. S. and C. Finch  
Dept. of Ornithology  
University of Central New Mexico  
Birdsville, NM 87654
- Body of the abstract as one single-spaced paragraph, not to exceed 250 words
- E-mail address and/or phone number of presenting author

Please submit the entire text of your abstract in the body of the email, and NOT as an attachment. This will prevent any problems with incompatible word processing formats. The deadline for the submission of abstracts is **24 MARCH 2023**. Please email your abstract to Chuck Hayes at [clhayes@unm.edu](mailto:clhayes@unm.edu) AND to Matt Baumann at [mbaumann22@gmail.com](mailto:mbaumann22@gmail.com).

All abstract submissions will be acknowledged within a week of receipt. If no acknowledgement is received, it is the submitter's responsibility to follow up and ensure their abstract was successfully transmitted. The abstracts for the NMOS General Science Session will be distributed at the meeting and will be published in the **NMOS Bulletin**.
