

Fellow Members of NMOS:

I'm pleased to announce the details for our virtual annual meeting of the New Mexico Ornithological Society.

It will be held over two days from 1-4:30 pm each day via Zoom. The dates are Friday-Saturday, March 26-27, 2021. **There will be a zoom link for each day – please RSVP to Matt Baumann at mbaumann22@gmail.com if you plan to attend and he will send you the zoom links.**

We can accommodate 75 attendees – so please register quickly!

If you do not have computer access or other way to access Zoom, we can provide a call-in number for you to listen to the presentations. Please let us know if you need that information.

There is no registration fee – we suggest a donation of at least \$5 to the NMOS Scholarship Fund to encourage up and coming ornithologists studying birds in our state. Please donate online via PayPal at www.nmbirds.org/membership or mail a check payable to "NMOS" to New Mexico Ornithological Society, P.O. Box 3068, Albuquerque, NM 87190-3068.

In the spirit of our virtual annual meeting this year, we encourage you to bird at a local spot of your choosing on Saturday morning and share your eBird list with "NMOS_Birds" – we will summarize the results at the beginning of the second afternoon's session and will have a random draw from those who participate for a Dale Zimmerman print of your choice.
