Guidelines for papers and poster presentations

NMOS/WFO Annual Meeting
24-27 July 2003
Western New Mexico University
Silver City, New Mexico

The following general themes are especially solicited for the meeting:

- *) Ecology, population biology, and conservation of birds in New Mexico, southern Arizona, western Texas, Sonora, and Chihuahua.
- *) Systematics and biogeography of the birds of the Pacific Coast region, the North American interior (including Mexico), and the interface between the two.
- *) New information on field identification problems relevant to the birds of western North America and the eastern Pacific Ocean.
- *) Techniques for field study of birds, including censusing, monitoring, and other studies; results of studies resulting from the application of such techniques.
- *) Posters should fit within a width of 6 feet.

Please note: Twenty minutes will be allotted per oral presentation, which should include 5 minutes for questions and discussion. Longer time slots (30 minutes) are negotiable.

For further information concerning the submission of abstracts, please see the Call for Papers in this issue of the Bulletin of the New Mexico Ornithology Society.

**NEW MEXICO ORNITHOLOGICAL SOCIETY
WESTERN FIELD ORNITHOLOGISTS
JOINT MEETING**

CALL FOR PAPERS AND POSTER PRESENTATIONS

The 41st Annual Meeting of NMOS, and the 28th Annual Meeting of WFO, will be held 24-27 July 2003 at Western New Mexico University in Silver City, New Mexico. Oral presentations will be allotted 15 minutes, with an additional five-minute period for questions. Papers may range from technical reports of original research to general observations. Poster presentations are also encouraged.

Please submit abstracts containing the following information:

- 1) Title (all in capital letters) of no more than 20 words.
- 2) Names and addresses of author(s) in the following form:
Beak, V.L., and C.X. Finch, Dept. of Ornithology, University of
Central New Mexico, Birdsville, NM 88660
- 3) Body of abstract as one single-spaced paragraph..

The entire abstract, including title and authors' names and addresses, may not exceed one page. Be sure to mention whether the abstract is for an oral presentation or a poster.

Please submit your abstract electronically, and include the entire abstract in the body of the email, NOT as an attachment. This will prevent any problems with incompatible word-processing formats.

Send the email to Ted Floyd tedfloyd57@hotmail.com

Hard copies may be mailed to: Ted Floyd, PO Box 7974, Boulder, CO 80306-7974

All abstracts should be received by 1 June 2003

For more information about the meeting, visit the WFO website at
www.wfo-cbrc.org

or contact David Krueper at 505-248-6877, or at: dave_krueper@fws.gov

The abstracts will be distributed at the meeting, and will be published in the NMOS Bulletin.

NEW MEXICO ORNITHOLOGICAL SOCIETY RESEARCH GRANTS

The NMOS is now offering \$500 research grants to help support research on New Mexico birds. The criteria for the grants are: 1) the grant money must be spent while conducting research on birds in New Mexico; 2) a short research proposal (2 pages maximum), plus names of three references must be submitted describing the nature of the project and how the allocated funds are to be spent (on gas, tape recording, specific equipment, etc.); 3) a recipient must either present their findings at an annual NMOS meeting or have an article on their research published in the *NMOS Bulletin*; and 4) research proposals must be received by 15 April 2003. Please submit your proposal to: Dr. Roland Shook, 3306 Royal Drive, Silver City, NM 88061.

Information about the research grants is also available on the NMOS website:

REPORTING NEW MEXICO BIRD OBSERVATIONS

It is common knowledge that birders have added greatly to our understanding of the bird life of New Mexico. In fact, birders now account for the majority of new data on species distribution and field identification of North American birds generally. However, unless field observations are properly documented and submitted for consideration, they have no way of becoming part of the ornithological record. For New Mexico, bird records are published seasonally in *North American Birds*, the American Birding Association's journal (now in its 56th year) dedicated to documenting the continent's bird life, and subsequently in the *NMOS Field Notes*, published quarterly by the New Mexico Ornithological Society.

Sandy Williams is New Mexico's Regional Editor for *North American Birds* as well as Editor of *NMOS Field Notes*; he also maintains the NMOS Archives, including all written bird sighting submissions as well as the Photo-Tape File which includes prints, slides, audio tapes, video tapes, digital images, and compact disks. The year is divided into four seasons (see below), and observers are asked to submit their records to Sandy promptly at the close of each season. All submissions become part of the NMOS Archives; even if all your reports are not published, they remain on file and available to future workers.

All New Mexico birders are encouraged to submit their sightings, especially of uncommon species, nesting birds, and early, late, or out-of-range birds. Please submit your records in taxonomic order and make sure all records include date, exact location, numbers of birds, age and sex/color morph, if applicable, and name(s) and contact information (including e-mail address) of observer(s).

Please provide details for unusual records. Details are usually needed for sightings of birds appearing in light-faced type in the *NMOS Field Checklist of New Mexico Birds*. Written details and other documentation of very rare species will be circulated to the New Mexico Bird Records Committee for evaluation. Written details may be submitted on a report form (available by mail from Sandy Williams or electronically from the NMOS web page), although any written format is acceptable. If photographs are submitted, please include on the photo/slide your name, date the picture was taken, and the exact location..

Below are the seasons for reporting New Mexico bird observations. Don't procrastinate -- send your reports as soon as possible after the close of a reporting period.

Autumn	August 1 - November 30	(=4 months)
Winter	December 1 - February 28	(=3 months)
Spring	March 1 - May 31	(=3 months)
Summer	June 1 - July 31	(=2 months)

Seasonal reports and other records should be submitted to: Sartor O. Williams III. New Mexico Bird Records Committee, 1819 Meadowview Dr. NW, Albuquerque, NM 87104-2511 (e-mail: sunbittern@earthlink.net).

NMOS BULLETIN

The *Bulletin* is published four times a year; subscription is by membership in NMOS. The *Bulletin* serves two primary purposes: (1) to publish articles of scientific merit concerning the distribution, abundance, status, behavior, and ecology of the avifauna of New Mexico and its contiguous regions and (2) to publish news and announcements deemed of interest to the New Mexico ornithological community.

NMOS members are urged to submit articles and news. Articles received are subject to review and editing. Published articles are noted in major abstracting services (e.g., the AOU's "Recent Ornithological Literature" section of *The Auk*). Please submit news and articles (**double-spaced**) (hard copy, disk, or email) to Mary Alice Root (maroot@unm.edu) or Bruce Neville (bneville@unm.edu).

ANNUAL DUES

Membership in the New Mexico Ornithological Society is open to anyone with an interest in birds. Memberships are for a calendar year and annual dues are payable 1 January.

Dues are: Regular \$10, Family \$15, Student \$5, Supporting \$35 and Life \$300.
